Why invest in Grand Akshaya?

Akshaya Nagar is one of the most rapidly developed and peaceful destination located in the famous city in Bangalore. The location is the perfect blend of natural beauty in its full bloom and commercially developed. The region has become quite active in the infrastructure radar due to various major developments which includes establishment of metro connections and NICE (Bangalore – Mysore infrastructure corridor) Road that had enhanced connectivity with electronic city Bannerghatta Road and Mysore Road. The peripheral ring road connects all the major highways- Mysore, Tumkur, Hosur and old madras road. Ensuring a hassle-free commuting experience for dwellers. All these infrastructural developments and suggesting a path of high growth for the area which is attracting a lot more residential projects in the city.

Club House

The location also takes pride in some of the most reputed educational institutions of our country which add to the value of the location. Presence of other basic establishments nearby makes Akshayanagar inhabitable for people from various walks of life.
